

Away from the busy, crowded, snooty resorts is the Artist Residence in the city's Pimlico area. It has ten snugly bedrooms, and the decor inside will take you back to your earlier days.

Entrance is through a striped awning, and inside the halls and rooms are full of paintings, posters and 1920s furniture. Play ping pong in the basement and also enjoy cocktails, breakfast and Sunday brunch there. Rates from \$200. artistsresidencelondon.co.uk
