

We asked our roaming seniors to tell us the very top locations for doing the currently super-popular photo self-portrait. That's your travel4seniors.com editor mugging at the number one spot. According to your vote, here are the top 10 as named by our seasoned travelers:

*Times Square, New York NY; Eiffel Tower, Paris, France; London Bridge, London UK; Grand Canyon AZ; Golden Gate Bridge, San Francisco CA; Independence Hall, Philadelphia PA; Taj Mahal, India; Great Wall of China; Niagara Falls NY and Machu Picchu, Peru.*

At how many of those locations have you shot selfies, and which are still on your bucket list?
