

## *Cats also love Picasso*

If travels take you to the beautiful city's Kattenkabinet Museum, in the Centrum canal area, enjoy a unique experience. The four-story building and surrounding gardens are devoted to domestic felines in history, art and culture.

It's an elegant former private home filled with paintings, posters, sculpture and other creative materials that glorify the species *Felis catus*.

Visitors can expect to be surrounded by the many friendly live cats that roam freely throughout the museum. [www.kattencabinet.nl](http://www.kattencabinet.nl)
