

Boomers and Seniors can save at least 60 percent on the price of a memorable MSC Cruises Europe sailing - and get even more value for their money when they take the kids/grandkids along for free with the line's "Kids Sail Free" policy!

The special offer is available on select 2009 Mediterranean sailings of the line's two newest and largest ships - MSC Fantasia (debuting in December 2008) and MSC Splendida (debuting in spring 2009), as well as MSC Sinfonia, MSC Melody, MSC Poesia, MSC Musica and MSC Armonia. Boomer/Senior Saver rates are also available on select Northern Europe sailings of MSC Orchestra, MSC Opera and MSC Lirica.

Boomer/Senior Saver prices on select 2009 Europe sailings begin at just \$599 per person, double occupancy (cruise only, not including government fees and taxes and fuel surcharge) for an inside stateroom on 7-night itineraries and \$999 per person, double occupancy on 11-night itineraries. At least one guest in the stateroom must be 50 years of age on the departure date and bookings must be made by Oct. 31, 2009.

Children (as many as two) ages 17 and younger staying in the same stateroom with two full-fare paying adults cruise for free (government taxes and fees are additional, per person) on all MSC Cruises' sailings.

On each itinerary, guests will be surrounded by the elegant decor, authentic Italian cuisine, European ambiance, and exceptional service found onboard every MSC Cruises' ship.
