

There are many new start-up small airlines that specialize in short flights at bargain prices. They usually cost about \$150 or so each way. Also, if you're traveling in a group, it can actually be cheaper and less complicated than flying commercial.

Does it remind you of the Ella Fitzgerald classic?

Pack up all my care and woe,  
Here I go, singing low.  
Bye-bye, blackbird.

Of course, the private Blackbird aircraft are considerably more modern than the above fun illustration. For more info, schedules and prices to to [www.blackbirdair.com](http://www.blackbirdair.com)
