

Sort of like stuffing yourself at a Las Vegas buffet, but instead of all you can eat, JetBlue is offering an All-You-Can-Jet Pass. You get as many helpings of JetBlue flights as you can cram into your schedule during the 30-day promotion, and they're all for just the one cost of \$599. The offer is for JetBlue flights from September 8 through October 8.

JetBlue flies to more than 50 destinations in six countries. To take advantage of the offer, you must buy the All-You-Can-Jet Pass by Aug. 21. JetBlue instructions claim "pass holders will have access to every available seat on every flight with no blackout dates." Further: "each flight must be booked no later than 11:59pm MDT 3 days prior to the flight's scheduled departure."

Be aware that JetBlue reserves the right to discontinue selling All-You-Can-Jet Passes at any time during the promotion period. If you're interested or more want further information, go to www.jetblue.com.
