All traveling seniors have had the experience. We see an enticing ad for a beautiful hotel, accompanied by colorful photos of its upscale facilities. We book it and when we arrive at our luxury suite, we find:

- 1. The bathroom paper is a Sears Roebuck catalog.
- 2. The TV set shows only reruns of Herbert Hoover's inauguration.
- 3. The bathroom door is coin operated.
- 4. The closet is a nail on the wall.
- 5. The bathroom sink is a bucket.
- 6. The bathroom toilet is a bucket.
- 7. The bathtub is the same bucket.
- 8. Printed on the curtains: Property of Bates Motel
- 9. Instead of a mint on your pillow, the maid leaves a chocolate-covered cockroach.
- 10. A sign in the room reads: Our other hotel is the Hanoi Hilton.
- 11. The Gideon Bible is opened to passage: abandon hope all ye who enter here.
- 12. A sign on the door reads: Check out is 11 a.m. if you survive.
