

Trip.com just published its annual Rising Star list for the emerging year, and we agree it has some interesting names. They are in rank order: Adelaide, Australia; Havana, Cuba; Medellin, Colombia; Cairo, Egypt; South Padre Island, Texas; Bucharest, Romania; Malta; Bath, England; Stuttgart, Germany and Tblisi, Georgia.

Travel4seniors.com editors are not only very old, but also very old-fashioned. We took a poll of other wandering seniors, and here's our top 10 go-visit list in 2017, not necessarily in rank order: Las Vegas NV; London UK; Paris, France; Venice, Italy; New York NY; San Francisco CA; Honolulu HI; Singapore; Miami Beach FL and Amsterdam, The Netherlands.

Agree? If not, and you can boast a very long lifetime of travel, what's on your kick-the-bucket list for 2017?
