

Many senior travelers must wait hours at LAX for connecting flights across the Pacific to Asia. They have a choice to spend many hours trying to find a quiet spot in the busy airport or enjoy a tour.

If your layover at LAX will be five hours or more, consider *lacitytours.com*. The cost is about \$100. It includes strolling the Hollywood Walk of Fame, Santa Monica beach scenes and up the hills to the Hollywood sign. There's also a visit and lunch stop at the city's historic Farmers Market. For more info and booking, check the website.
