

Especially during this holiday season, there's no better way to see Las Vegas than from a helicopter. Way up there you get truly panoramic views of all the sights that make the Strip, Boulder Dam, Lake Mead, Grand Canyon and surrounding scenery so iconic.

Maverick Helicopters offers both day and night flights, featuring narration by the chopper pilots as you soar over Nevada and Arizona wonders. For prices, schedules, special programs and other info, go to www.maverickhelicopter.com
