

With hotel prices sky high and climbing, senior wanderers should always be aware of available ways to reduce the charges a bit. For example, among many others, the following offer discounts ranging from 10% and up: Hampton Inns, Comfort Inn, La Quinta, Hyatt, Red Roof Inn, Wyndham, Motel 6, Omni, Marriott and Choice Hotels.

When booking with your favorite hometown travel agent, online or directly with all hotels, never forget to ask the question: What's the senior discount on that price you just quoted?
