

Q: My husband and I travel frequently, and we always argue about tipping the hotel room maid. I say \$10 for each night, and he argues for \$2. What's your idea of an appropriate tip? *Mrs. ELL, Lexington KY*

A: It depends on the hotel. If you're paying \$200 or more, a tip of \$10 a night is appropriate. If it's a b&b or other cheap stay, \$2 is OK. Of course, if the hotel employee helps you in any way beyond the usual chores, some extra bucks should be tossed in.
